

**Surveys. Inspections.
F-Tags. Codes. Regulations.
Deficiencies. Write ups.**

DecoLink can help you reduce the risk of facility-related deficiencies on your next state survey. Here's proof.

Handrails & Crash Rails

“Handrails are critical to resident safety. Our survey will be next month and there is nothing the inspectors can get us on with these new handrails from DecoLink.”

Director of Environmental Services, Columbus, GA

Kick Plates & Door Frame Protection

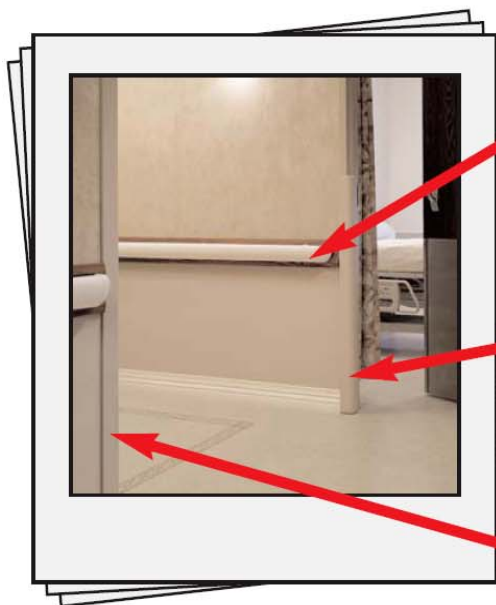

“Our inspectors made a surprise revisit today and were impressed with our new kickplates and door frame protectors. We truly appreciate helpful vendors like DecoLink!”

Administrator, Bridgeton, MO

Corner Guards & Wall Coverings

“With our state inspection coming we needed to make sure nothing in our facility was scratched or peeling. Thanks to DecoLink we no longer worry about this.”

Maintenance Director, Eatontown, NJ

DecoLink provides long-term care facilities with factory-direct savings, personalized service & solutions proven to help you with state surveys.
